

Forward Facing Position

Step 1

Insert both hands into the loops of the carrier

- a. Bring the first loop over your head
- b. Bring the second loop over your head

Step 2

Spread the fabric over your shoulders

- a. Spread the fabric on your back
- b. Lower the outer cross loop from your shoulder

Step 3

Holding baby tightly, place one leg and one hand through the inner loop

Step 4

Place the other leg and hand through the second loop while securely holding your baby. Smooth the fabric between the legs to create a comfortable sitting place

Step 5

Wrap the belt around you and baby

Step 6

Close the belt using the closing ring
